

Although Alabama is teeming with life, the state's prominence as a refuge for plants and animals is poorly appreciated.

**Why is Alabama is home to more species than any other state east of the Mississippi River?**

Join us to hear

**DR. SCOT DUNCAN**

Associate Professor of Biology and Urban Studies at Birmingham-Southern College

**Acclaimed Author of**

*Southern Wonder: Alabama's Surprising Biodiversity*

**Tuesday, April 8**
